

AUTHORIZATION TO RELEASE PATIENT MEDICAL INFORMATION FROM CAPITAL WOMEN'S CARE

I hereby authorize Capital Women's Care (CWC) to use and disclose my individually identifiable Protected Health Information (PHI) in the manner described below.

I understand that I have the **right to access**¹ my complete medical records maintained by Capital Women's Care, based on the federal HIPAA law. I understand that when I am requesting a copy (electronic or hardcopy) of my records, or wishing to send my records to a third-party, I will be asked to sign this form. I also understand that my PHI may be re-disclosed by the person or entity receiving my PHI from CWC, and that it then may no longer be protected by federal privacy regulations. Maryland law allows for such re-disclosure by Capital Women's Care if it is authorized by the person in interest (patient).² I understand that signing this authorization is voluntarily and will not condition my treatment, payment, enrollment or eligibility for benefits.

TYPE OF INFORMATION TO BE RELEASED/COPIED/PROVIDED BY CAPITAL WOMEN'S CARE:

1. GENERAL RELEASE: I would like to obtain copies of the following:

___ Records in Capital Women's Care's Designated Record Set³, excluding information the patient does not have a **"Right to Access"**

¹ An individual does not have a right to access PHI that is not part of a designated record set because the information is not used to make decisions about individuals.

This may include certain quality assessment or improvement records, patient safety activity records, or business planning, development, and management records that are used for business decisions. In addition, two categories of information are expressly excluded from the right of access: Psychotherapy notes, and information compiled in reasonable anticipation of, or for use in, a civil, criminal, or administrative action or proceeding. See 45 CFR 164.524(a)(1)(ii).

² HEALTH-GENERAL ARTICLE § § 4-301--4-309, 8-601

³ A "Designated Record Set" is defined by HIPAA as a group of records maintained by a covered entity that may include patient records, bills, information maintained by medical management record systems, or information used to make care-related decisions.

⁴ External records include but are not limited to Special Outside Correspondence. Such records are records created by non-Capital Women's Care providers, sent to Capital Women's Care, and added into the patient's electronic health record. This information is supplied to Capital Women's Care but, per our Designated Record Set policy, it is not included in our Legal Medical Record and shall be supplied to patients only upon request.
